

## Claremont Road, Salford, M6 7NW

**£550 Per calendar month**

Well what can we say about Claremont Road? Quite a lot actually, it has the Salford 6 location so many are after, it's reasonably priced and it's rather quite nice. Claremont Road is sat in the hub of a hugely popular residential area, with these lovely terraced roads are a pleasure to wander around. Close by there are outdoor playing fields with Lightoaks Park and Oakwood Park only a hop, skip and a jump away great for getting some fresh air, there are good bus links from here too with Bolton Road moments away. Now for the property, it is a ground floor two bedroom apartment which is set out over 2 floors, previously in years gone by this was one home that overtime has been converted into two separate living spaces therefore its a little more roomy than you would think. Internally you have a well sized living area, with a modern kitchen space with appliances and a very workable bathroom. We feel for the setting and size of the home its certainly priced well and is not to be missed. All in all this a good rental property. AVAILABLE SOON! \*FEES APPLICABLE PLEASE CONTACT THE OFFICE\*
