

## The Shackles, Eccles, M30 OPT

**£600 Per calendar month**

The Shackles...cleverly named as this beautiful building was once an old police station. But do not worry there aren't any chains or manacles hanging around any more, instead you will find a part converted and part new build development housing a small number of one and two bedroom apartments, modern in style throughout with a large glass atrium as a feature point to the communal stairwell. This 2nd floor apartment offers you slightly more in the way of design with a penthouse feel, there is a large living area with a focal brick wall and skylight windows, a sleek modern kitchen, two bedrooms (1 double and 1 single) and a tiled bathroom. Not to mention some outdoor communal space, perfect for a breath of fresh air. The actual development has a lot to offer you but so does the location, minutes away from the charming Monton Village, with its independent shops and restaurants and also near to Eccles Town Centre which has more of your main high street shops and well know supermarkets, along with fantastic transport connections into Salford Quays via the tram or train and into Manchester City Centre, if that inst enough for you then there's always the Trafford Centre not too far away which houses every shop you can think of and a tonne of entertainment facilities.
